Wabash vs. Franklin == Tomorrow

SEASON OPENS WITH FRANKLIN TO-MORROW

Wabash Enters Arena With Prospects for a Great Season--All Men in the Squad Will Play.

TEAM ROUNDING INTO SHAPE

The formal opening of the football schedule take place to-morrow afternoon when Coach Jones' men try conclusions with Franklin College at Ingalls Field. On last Saturday the Baptists were blanked by DePauw by the score of 20 to 0, but since this time reports from the training camp of the Franklin aggregation are to the effect that the men have greatly improved and will be in a much more presentable shape to meet the "Little Giants."

On the other hand the three weeks of training has put the Scarlet in fit condition for the struggle. The chief aim of Coach Jones will be to give all of the most promising candidates a trial in this struggle and to better the score run up by DePauw.

All week the recruits have been making the hardest kind of fight for varsity berths, and the rivalry has been intense. Owing to the splendid array of talent available, Coach Jones will find it possible to use about twenty men in the struggle without seriously weakening the team.

Only the simplest plays will be used in this game as he desires to get the backs to working together well before he inaugurates any of the new ones he has up his sleeve. The work may be a little ragged in this game as Starbuck received an injury in Tuesday's practice that will keep him out of the game for several weeks. But it will not be for long as there is a wealth of back-field material to pick from to fill his position.

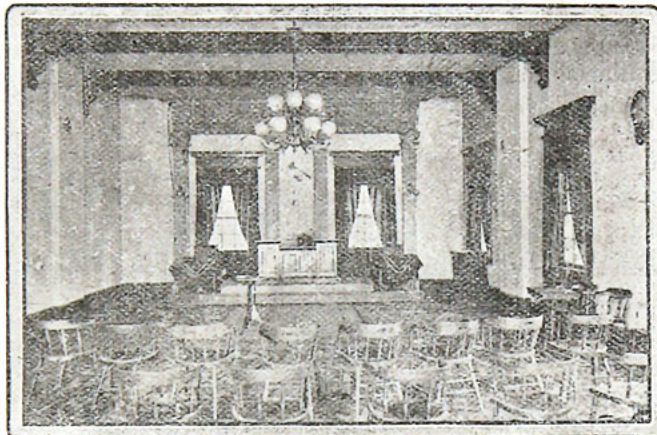

Captain Hess will hold out for long halves in order that the game will be of the greatest benefit. It will be remembered that the first big game of the season is only three weeks off, the one with St. Louis University, and it will take a great combination of strength and wind to offset the advantage the blue and white will have in avoidrupois.

The students have promised to turn out enmasse for the Franklin game and the indications are that a good sized crowd will be on hand to see the 1908 football season formally launched.

The committee consists of the following men, Schultz, Thornton, Manson, Merkle, and Walter. The executive committee was instructed to decide upon smokers and other social affairs for the year. SUTHERLAND HAS HARD LUCK.

Hugh Sutherland, who graduated last year and who was given a scholarship in the Columbia Law School, has found it impossible to enter the University because of trouble he has had with his eyes. It seems the nature of the ailment is not known but specialists have advised him that in case he continues study, he will lose his sight. He is now in northern Michigan coaching the Benton Normal foot-ball team

BLAIR WILL NOT RETURN

"Speedy" Blair, captain elect of this year's track team, came down from Chicago, Tuesday. He has decided not to return to Wabash but will enter Chicago University. "Spot" is one of the best track men Wabash has ever had and his place will be a hard one to fill. He was always good for eight points and better in every meet and would have made an ideal leader for the team during this season. He is playing quarter-back on Staggs freshman team and is making good.

MILLIS, HANOVER CAPTAIN.

At a meeting of the Hanover College Athletic Association, Fred Millis, ex '11, now a sophomore in Hanover, of which his father, W. A. Millis, formerly professor of Education here, is president, was elected captain of the track team of the Southern Indiana school. Millis was a member of the track squad here last year, and although he failed to win his letter he made a good showing in the meets in which the "Little Giants" participated.

MEMORIAL SERVICE.

The memorial service in respect to Joseph Burnham '10, of Bedford, and Clark Sponsler '11, of North Baltimore, Ohio, two Wabash students who were drowned during the summer, will be held at Center church, Sunday evening, at 7:30 o'clock. Dr. Mackintosh will have charge of the service and the glee club will sing.

The north and center sections of seats will be reserved for students.

R. H. McIntosh '08, of Indianapolis, was here over Sunday visiting Delta Tau brothers.

FIRST MEETING OF THE Y. M. C. A. HELD

The first regular meeting of the Y. M. C. A. was held Tuesday evening in the association's rooms in Center Hall. The attendance was small owing to the various other functions going on the same evening. Herman Knapp, '10, was elected secretary to take the place of Roy Graham, who is not in college this year. It was also decided to have Mr. T. C. Day of Indianapolis address the Y. M. C. A. next Tuesday evening on Bible work. Plans for a piano for the room were discussed. Dr. Mackintosh was present and talked on the practical work of the Y. M. C. A.

A meeting of the Y. M. C. A. was held yesterday morning after chapel in order to make a start in the campaign for new members that is soon to take place. The old men will be called on to sign up, and each will be given a list of new men with whom they are to do personal work in interesting them in the Y. M. C. A.

FRANKLIN'S SCHEDULE ON THE FOOTBALL FIELD

Manager Deming, of the Franklin College football team, which plays here tomorrow, has announced his schedule for the rest of the season, although there may be one or two changes. The present schedule calls for eight games, with only three of them on the Franklin grounds. Heretofore it has been a hard matter to get the proper support from the Franklin student body, and Manager Deming decided to take no chances on losing any great amount of money on the season. The games already arranged are:

Friday, October 2.—Franklin at Wabash.

Saturday, October 10—Franklin at Notre Dame.

Oct. 17—Franklin at Earlham.

Oct. 24—Franklin at Indiana University.

Oct. 31—Winona Tech. at Franklin.

Nov. 7—Franklin at Butler.

Nov. 14—Butler at Franklin.

Nov. 21—Culver or Illinois Normal at Franklin.

The game with Butler may be changed to Thanksgiving day, and serve as the curtain-raiser for the Washington Park affair. If this arrangement is made it is probable that a return date with Earlham in Franklin can be had. The schedule is the stiffest any Franklin team has faced in recent years, and all the hard games come at the opening of the season.

Enrollment at Indiana University has reached 1104. The summer school had 1005 enrolled many of whom remained for the fall term.

"Del" Myers is visiting around college having arrived Tuesday.

Yell practice will be held this afternoon on Ingalls field for tomorrow's game.
